

## **XBR Electronics Ltd – Quality Management System**

04-06-21

After a considered review the Directors of XBR Electronics Ltd have taken the decision to not apply for re-registration of our ISO 9001:2015 certification.

We shall continue to operate our internal Quality Management System (XBR QMS) developed in line with ISO 9001:2015 requirements and with internal audits.

We will continue to support you and maintain the quality of our products.
